IT'S ALL ABOUT global governance with Jews in high places marshaling their efforts to castrate the sovereignty of nation-states with their 'negotiated' TPP agreement.

Let's start with the Jew, Michael Froman, who as **chief** US Trade Representative, **led** the negotiations of the Trans-Pacific Partnership agreement and **brought** it to completion.

Celebrating Froman's furtherance of a One World Government (of which Jews will pull the levers) was fellow Jew, Gerald Seib, of the Council on Foreign Relations who **interviewed** Froman upon TPP's conclusion last month.

It's a Jewish affair for as Senator Jeff Sessions **contends**, "TPP ushers in a governance system that will supplant ours with its own rules for every aspect of global commerce accompanied by a new international regulatory structure to enforce these rules."

"TPP creates an international Congress that will overrule ours," the senator **point out**.

Sessions **warns** that TPP will take migration of foreign workers out of the hands of nations into the hands of the global governance system due to the TPP provision **stating**, "No party shall impose limitations on the number of persons employed in a particular service sector."

It's a slithering snake on a creeping mission. For once **quotas** of guest workers are **eliminated**, forbidding quotas of foreign immigrants is next.

This is an all-time favorite of the Jews.

For Jewry's aim is to dilute a national-complexion into a diverse assemblage of peoples with a slight sense of nationhood and a weakened resistance to loss of sovereignty.

Particularly troubling is that the terms of the TPP agreement are **subject to change** by an unelected 'TPP Commission.'

Even worse, TPP provides for 'Corporate Tribunals' which being **beholden** to corporate interests would override national sovereignty by **bypassing** national court systems when challenging laws that injure corporate concerns passed by nations' elected representatives.

IT'S GOOD NEWS for the Jews who love their Jewish state while eating lox and bagels in their Manhattan suites far from Zion.

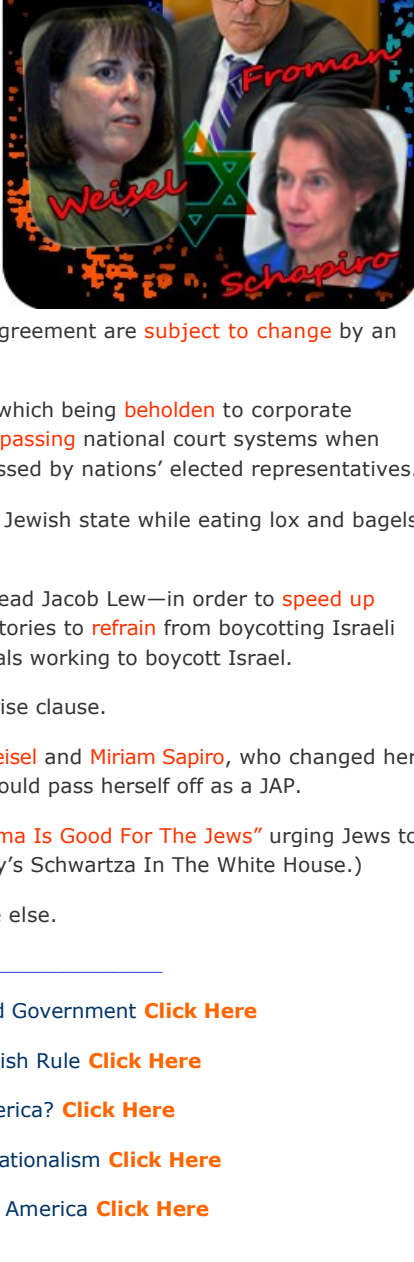

For in June's 'Fast Track' bill—**pushed** by Treasury head Jacob Lew—in order to **speed up** Congressional approval, is a **clause obligating** signatories to **refrain** from boycotting Israeli goods and to **criminalize** organizations and individuals working to boycott Israel.

And AIPAC's dirty **fingerprints** are all over this surprise clause.

Hurray for Froman and his Jewish team: **Barbara Weisel** and **Miriam Sapiro**, who changed her Jewish surname from 'Schapiro' to 'Sapiro' so she could pass herself off as a JAP.

Our Jewish American Princess (JAP) authored "**Obama Is Good For The Jews**" urging Jews to make Barack the first black president. (Read: Jewry's Schwartz In The White House.)

TPP is good for the Jews too! But bad for everyone else.

Yes, good for Jews and bad for the rest.
Nations signatory to the TPP are sliding into the trap. Such countries may have quotas for foreign immigrants.
We had a policy 'turn back the boats' and of course that is attacked in devious ways.
Even Amnesty gets into the act and the UN is most vocal already.
Yes, TPP is for the benefit of Zionists as indeed is the policy of keeping the dollar high to get money into their coffers. These are easy ways for garnering more billions and trillions.
Our governments eventually will have few choices remaining.
Freedom escapes totally when enslavement under the New World Order is completed.
The eventuality of the TPP will be starvation and then death for millions.
Obama is implementing this. One wonders which party and the controllers for this One World demands his obedience. His fluctuations are obvious and often reveal a certain stupidity.
As for Chris Christie, his claim to the latter is his comment about deliberately flying over territory in the Chinese Spratley Islands.
Then Carson would make war on Russia.
How the mighty have fallen and most onlookers cheer in ignorance.
Two possibilities lie ahead for our own people and the peoples of this world. Either the Jews will win and there is a One World Government or they will lose.
It depends a great deal perhaps, on Christian responses in the situation. Will route such acknowledge the true situation, do an about turn and march along the correct route of truth? Judgment has fallen upon Christianized nations and peoples over the centuries. Many have experienced mass killings and death to their religion.
Are we now facing a symbolized Gog and Magog in a cult that shoots out its strong and fearsome tendrils at will. It could mean their cruel and demonic embrace is almost complete.
Will then fire fall from heaven upon them? Whatever the outcome, worse days lie ahead.
Four seemingly false flags against Russia already, that country which apparently is the only one standing tall against a scurrilous foe.
For the world, life does not go on as usual.

Have just sent in \$100US to Bro Nathanael.
Now, each of you who haven't for a while, or at all, please send something.
Irene, when you say 'The eventuality of the TPP will be starvation and then death for millions', I would up that number to Billions.

Sadly, Amerika will soon be flooded with immigration en masse from 150+ nations. Israel gets the historic Babylonian Talmudic Homeland by proxy wars and Europa and Amerika get the Refugees.
A nation will never reclaim any sense of identity or sovereignty with the languages, culture, and racial mix of a Melty Pot Mess.

TPP — Total Planetary Plantation, or Total Plantation Program...
Overall this leads to WASTED — We Are Screwed Totally Every Day.
[Let them (the Zionistas) rebuild their "temple" in Jerusalem, afterwards a sinkhole opens up swallowing the blasphemous structure]
